

Between Oct. 25 and Nov. 5, 2023, the SpartanNash Foundation will launch its fundraising campaign to support local food pantries. For 12 days, participating SpartanNash company-operated stores and fuel centers will work with store guests to raise funds and awareness for our pantry partners, supporting their purpose to provide meals to families in need. One hundred percent of all funds raised will go directly to local food pantry partners at the conclusion of our retail fundraiser.
